

Subject: SCEIS User Group Survey on FY2011 Year-End Closing Process Survey
Extended Through Nov. 21, 2011

Audience: Finance Directors, SCEIS User Group Meeting Attendees

The SCEIS User Group invites employees who completed one or more FY2011 Year-End Closing Packages, and who have not yet responded to the FY2011 Survey, to take one more week to provide responses. The User Group Leads Committee will share the feedback gathered through this survey with the Comptroller General's Office.

To share your feedback, please complete the portions of the following survey that apply to you, meaning those questions that address portions of the 2011 Year-End Closing Package on which you worked. When you reach a section that does not apply to you, simply click the "Next" button at the bottom of the page to skip over that section. Please also share this survey with coworkers in your agency who completed other portions of the 2011 Year-End Closing Package, and encourage them to answer the questions that apply to them.

This survey will remain open for one additional week, closing on Monday, November 21, 2011. Once responses have been collected and compiled, the SCEIS User Group Leads will share them with the Comptroller General's Office and the SCEIS User Group. It is the goal of the SCEIS User Group Leads that feedback received in this survey will improve the 2012 Year-End Closing Package process.
